The NCAFC is not a group of experts organising and writing from afar. It is made up of ordinary education activists, who are active on their campuses and who agree with the aims of the campaign. People like you! The strength of the Campaign is in its members, please tell us about any special skills that you have, contacts that may be useful, or ways that you may be able to help the NCAFC.

Support the Campaign

While our costs are low, we depend on volunteers rather than staff and have no guaranteed source of income. We are in urgent need of funds to print our materials, run our democracy and organise national action. If even a tiny proportion of our members and supporters gave £10 on a monthly basis, we would be able to sustain a much higher level of activity than we can at the moment.

Membership costs a minimum of £1 / year, though you are encouraged to support the NCAFC if you can. Please select from the options below:
